Re: ***Request for Qualifications for IT Services***
RFP No.: 2011-GA-05

Dear Sir or Madam:

Thank you for your response to the Massachusetts Technology Collaborative's **Request for Qualifications for IT Services**. We are pleased to inform you that your firm has been selected to provide the services contemplated in the RFP. Upon the assignment of work, MTC and your firm will execute a Master Agreement and work order outlining the details of the assignment.

Please note that it is the policy (the "Procurement Conflicts Policy") of MTC that individuals and/or the primary personnel of entities currently party to an unexpired Master Service Agreement with MTC may not, as a general rule, provide professional services to any MTC grantee (the "Grantee") for so long as the Master Service Agreement is in effect. In addition, individuals and/or the primary personnel of entities currently providing professional services to a Grantee pursuant to a contract (the "Service Contract") may not, as a general rule, provide professional services of any kind to MTC for so long as such Service Contract is in effect. The foregoing Procurement Conflicts Policy is a preventive measure intended to avoid actual or apparent conflicts of interest under M.G.L. c. 268A.

If you have any questions regarding the award, please contact Jeanne Napolitano, Grants and Contracts Administrator, at (508) 870-0312 extension 1-221 or napolitano@masstech.org.

Once again, congratulations on your firm's selection and we look forward to working with you.

Yours truly,

Mitchell Adams
Executive Director
Massachusetts Technology Collaborative
